Monica Lewinsky Tells All

The President admired my lip,
We never went to bed;
I told my tale to Linda Tripp
Of how I gave Bill head.

She gave the tape to Kenneth Starr
And Bill was on the spot,
The tale *he* told was so bizarre,
We thought he'd lost the plot.

He had no sex with me he said,
And acting kinda dim,
Admitted when I gave him head
That I'd had sex with him.

Now Bill is out of politics,
Except for minor bits,
But Clinton still does dirty tricks:
The one who's got the tits!
